

Concrete and Abstract Nouns

Concrete nouns are usually nouns we can see or touch. They are the everyday objects which surround us in our life such as 'table, chair, mountain, road etc.'

Abstract nouns are more difficult to identify. They are usually nouns which cannot be seen or touched and often can be emotions such as 'happiness, fear, joy etc.'

Using this knowledge try to complete the table below. Read part of your book. Separate the nouns into concrete and abstract. Which type is more common?

Category	Concrete Nouns	Abstract Nouns

Now write a simple sentence of your own for three concrete nouns and three abstract nouns.

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____
