For: Sale, Urmston, Altrincham Girls, Stretford**

Venue: Our Lady's and English Martyr's Parish Centre, M41 7DS

Please arrive 15 minutes before the start so we have time to register your child and get them seated. There is ample parking; just enter the metal gates and head towards the electric barrier. It will raise and you'll be able to park in any of the spaces. The test will take place in the hall building to the left of this. Children should bring pencils, rubbers, a drink and a small snack.

If there is a problem on the day, please do NOT call me BUT do text me on my mobile number 0794 691 2292

Results: Results will be back with you three days after the exam.

Papers:

I do not return actual papers as I collect data using these to follow trends and scores of how students have fared over the years. It is only by doing this and using these mocks as a 'closed test' that I can give parents a good idea of where their children are and a realistic idea of chances of success.

For Durham (CEM) style exams I will give a pack of sample questions out and let you know how your child performed in each question style so you know which areas on which to work. Results will be emailed.

For GL style papers results will be emailed and included in that email will be examples of questions which students got incorrect so these can be further practised.

I strongly advise that all students are practising tests at home under exam conditions so they get used to timings etc.

The cost for each mock is £40 payable in advance - please **email me** to book on at peter@pjweducation.co.uk

I will confirm a slot is available and ask for payment. Once this is made I will email you a receipt. This is a little more prescriptive than previous years due to the number of students wishing to attend mocks.

Students being tutored by PJW Education Ltd tutors will be the only students able to attend the mocks in June.

These mock dates have been sent to students we tutor and will be opened to the public after the February half-term.

If you are unsure how many mocks to book or need to finalise your own dates first, then just let me know - it's not a problem.
